PROXY STATEMENT

EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS

This Proxy Statement is being furnished in connection with the solicitation of proxies in response to a demand made by certain of our shareholders, who together represent approximately 17.81% of our outstanding shares, to convene an Extraordinary General Meeting of Shareholders, or the Extraordinary Meeting, pursuant to Section 63(b) of the Israeli Companies Law. The Extraordinary Meeting will be held at 10:00 a.m. (Israel time) on Wednesday, August 12, 2010, at our offices at 17 Altalef Street, Industrial Zone, Yehud 56100, Israel.

This Proxy Statement, the attached Notice of Extraordinary General Meeting and the enclosed proxy card are being mailed to shareholders on or about July 9, 2010.

Purpose of the Extraordinary Meeting

At the Extraordinary Meeting, shareholders will be asked to:

- Item 1A: Consider and vote upon a shareholder proposal to terminate the service as directors of our Company of all members of the Board of Directors, including without limitation, Mr. Jacob Perry, Mr. Jacob Even-Ezra, Mr. Ze'ev Livne, Mr. Jacob Nuss and Mr. Barry Stiefl, but excluding Mr. Nathan Kirsh and the Company's external directors, effective as of the close of the Extraordinary Meeting.
- Item 1B: Subject to the adoption of Item 1A at the Extraordinary Meeting, consider and vote upon a shareholder proposal to appoint Messrs. Avihu Ben-Nun, Yoav Stern, Zivi R. Nedivi, Ami Amir and Israel (Relik) Shafir as directors of our Company, effective as of the close of the Extraordinary Meeting.
- Item 2: In the event that Item 1A is rejected at the Extraordinary Meeting, consider and vote upon our proposal to approve certain proposed transactions with Mr. Nathan Kirsh, a director, which is intended to allow Mr. Kirsh becoming a holder of more than 25% of our outstanding shares.

Recommendation of the Board of Directors

Our Board of Directors recommends a vote AGAINST each of Items 1A and Item 1B and FOR Item 2.

Proxy Procedure

Only holders of record of our ordinary shares, par value of NIS 1.00 per share, as of the close of business on July 7, 2010 are entitled to notice of, and to vote in person or by proxy at, the Extraordinary Meeting. As of July 2, 2010 there were 10,396,548 outstanding ordinary shares.

- **Voting in Person.** If your shares are registered directly in your name with our transfer agent (i.e. you are a "registered shareholder"), you may attend and vote in person at the Extraordinary Meeting. If you are a beneficial owner of shares registered in the name of your broker, bank, trustee or nominee (i.e. your shares are held in "street name"), you are also invited to attend the Extraordinary Meeting; however, to vote in person at the Extraordinary Meeting as a beneficial owner, you must first obtain a "legal proxy" from your broker, bank, trustee or nominee authorizing you to do so.

- **Voting by Mail.** You may submit your proxy by mail by completing, signing and mailing the enclosed proxy card in the enclosed, postage-paid envelope, or, for shares held in street name, by following the voting instructions provided by your broker, bank trustee or nominee. The proxy must be received by our transfer agent or at our registered office in Israel at least forty-eight (48) hours prior to the appointed time of the Extraordinary Meeting to be validly included in the tally of ordinary shares voted at the Extraordinary Meeting. If directions are not given or directions are not in accordance with the options listed on a proxy card, such shares will be voted AGAINST each of Item 1A and Item 1B and FOR Item 2.

Change or Revocation of Proxy

If you are a registered shareholder, you may change your vote at any time prior to the exercise of authority granted in the proxy by delivering a written notice of revocation to our Corporate Secretary, by granting a new proxy bearing a later date using, or by attending the Extraordinary Meeting and voting in person. Attendance at the Extraordinary Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If your shares are held in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Extraordinary Meeting and voting in person.

Quorum

The presence of two shareholders, holding at least one-third (1/3) of our company's total voting rights, represented in person or by proxy at the Extraordinary Meeting, will constitute a quorum. If within half an hour from the time designated for the Extraordinary Meeting a quorum is not present, the Extraordinary Meeting will stand adjourned to the same day in the following week, at the same time and place. If within half an hour from the time designated for the reconvened Meeting a quorum is not present, two shareholders present in person or by proxy will constitute a quorum.

Abstentions will be counted towards the quorum. The proposals presented at the Extraordinary Meeting are not "routine" matters under New York Stock Exchange Rule 452, and a New York Stock Exchange member organization therefore may not make a "broker non-vote" in connection with any of the proposals.

Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes.

Majority Vote Standard

Each ordinary share entitles the holder to one vote. An affirmative vote of the holders of a majority of the ordinary shares represented at the Extraordinary Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve each of the proposals, except as otherwise stated in the proposal.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes and abstentions are not considered votes cast on that proposal. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for voting purposes.

We have received indications from our principal shareholder, Mr. Natan Kirsh who holds approximately 24.2% of our issued and outstanding ordinary shares, that he presently intends to vote AGAINST Item 1A and Item 1B and FOR Item 2.

Cost of Soliciting Votes for the Annual Meeting

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited in person, by telephone or electronic communication, by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance

with the regulations of the Securities and Exchange Commission, or the SEC, concerning the sending of proxies and proxy material to the beneficial owners of our stock.

Our Board of Directors strongly opposes the adoption of the two shareholder proposals. We believe that it is in the best interest of our shareholders to maintain the current composition of our Board of Directors. To that extent, all the members of our Board of Directors were recently re-elected at our 2010 Annual General Meeting of our Shareholders held on June 23, 2010, by a majority of more than 80% of the votes represented at the meeting. We believe that our current Board of Directors has the knowledge, experience, independence and commitment to best represent the interests of all of our shareholders. Our Board of Directors navigated our company through the recent economic turmoil that adversely impacted the company and has taken decisive action to improve shareholder value based on its deep experience and interest in the company. To that end, our Board of Directors implemented management changes, cost cutting measures and adopted a new strategic plan for the company. Under the leadership of the current Board of Directors and management team, we are executing on our strategy to create value for our company and its shareholders. Our Board of Directors is focused on one central goal to best maximize shareholder value and we ask to you to reject the proposal to remove from office our highly qualified and capable directors.

The Dissident Shareholders have invested in us and we value and respect the Dissident Shareholders. However, we do not believe that the director nominees proposed by the Dissident Shareholders would strengthen our company or add value to our shareholders. The Dissident Shareholders have not presented any plan for improving our company's position. Based on the biographies provided to us, it appears that the director nominees are affiliated with our former interim Chief Executive Officer, Mr. Yoav Stern, one of the director nominees, whose temporary engagement with our company was not made permanent. Both Mr. Stern and Mr. Shafir held managerial positions in our company for less than a year and we view their contribution to the development of the our business as minimal, if at all. None of the other directors nominees have any special knowledge or experience in perimeter security, our core business. We therefore urge you to reject both of the shareholder proposals.

FOR ALL OF THE FOREGOING REASONS, THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" THE SHAREHOLDER PROPOSALS. PROXIES RECEIVED BY THE COMPANY WILL BE VOTED "AGAINST" THE SHAREHOLDER PROPOSALS UNLESS THE SHAREHOLDER SPECIFIES OTHERWISE IN THE PROXY.

Under the Israeli Companies Law and our Articles of Association, the affirmative vote of the holders of a majority of the ordinary shares represented at the Extraordinary Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to approve each of the above shareholder proposals.

BOARD OF DIRECTORS AND COMMITTEES

Election of Directors

Our Articles of Association provide for a board of directors of not less than three and not more than 11 members, as may be determined from time to time at our annual general meeting. Our board of directors is currently composed of eight directors, including two outside directors appointed in accordance with the Israeli Companies Law.

Our directors (except the outside directors, as detailed below), are elected by our shareholders at our annual general meeting and hold office until the next annual general meeting. All the members of our board of directors (except the outside directors), may be reelected upon completion of their term of office. Our annual general

meetings of shareholders are held at least once every calendar year, but not more than 15 months after the last preceding annual general meeting. In the intervals between our annual general meetings of shareholders, the board of directors may from time to time appoint a new director to fill a casual vacancy or to add to their number, and any director so appointed will remain in office until our next annual general meeting of shareholders and may be re-elected.

Outside and Independent Directors

Outside Directors. The Israeli Companies Law requires Israeli companies with shares that have been offered to the public in or outside of Israel to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. In general, the term "affiliation" includes an employment relationship, a business or professional relationship maintained on a regular basis, control and service as an office holder. Regulations promulgated under the Israeli Companies Law include certain additional relationships that would not be deemed an "affiliation" with a company for the purpose of service as an outside director. In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed, all current members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

At least one of the elected outside directors must have "accounting and financial expertise" and any other outside director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law. However, Israeli companies listed on certain stock exchanges outside Israel, including The NASDAQ Global Market, such as our company, are not required to appoint an outside director with "accounting and financial expertise" if a director with accounting and financial expertise who qualifies as an independent director for purposes of audit committee membership under the laws of the foreign country in which the stock exchange is located serves on its board of directors. All of the outside directors of such a company must have "professional qualification."

The outside directors are elected by shareholders at a general meeting. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who voted on the matter. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company.

In general, outside directors serve for a three-year term and may be reelected to one additional three-year term. However, Israeli companies listed on certain stock exchanges outside Israel, including The NASDAQ Global Market, such as our company, may appoint an outside director for additional terms of not more than three years subject to certain conditions. Such conditions include the determination by the audit committee and board of directors, that in view of the director's professional expertise and special contribution to the company's board of directors and its committees, the appointment of the outside director for an additional term is in the best interest of the company. Outside directors can be removed from office only by the same special percentage of shareholders that can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their fiduciary duty to the company.

Each committee of the board of directors that is authorized to exercise powers vested in the board of directors must include at least one outside director and the audit committee must include all the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Independent Directors. In general, NASDAQ Listing Rules require that the board of directors of a NASDAQ-listed company have a majority of independent directors and that its audit committee have at least three members and be comprised only of independent directors, each of whom satisfies the respective “independence” requirements of NASDAQ and the SEC. However, foreign private issuers, such as our company, may follow certain home country corporate governance practices instead of certain requirements of the NASDAQ Listing Rules. On June 30, 2006, we provided NASDAQ with a notice of non-compliance with respect to the requirement to maintain a majority of independent directors, as defined under NASDAQ Listing Rules. Instead, under Israeli law and practice we are required to appoint at least two outside directors, within the meaning of the Israeli Companies Law, to our board of directors. However, despite such notification of non-compliance, we maintain a majority of independent directors. In addition, in accordance with the rules of the SEC and NASDAQ, we have the mandated three independent directors, as defined by the rules of the SEC and NASDAQ, on our audit committee.

Pursuant to a recent amendment to the Israeli Companies Law, an Israeli company whose shares are publicly traded may elect to adopt a provision in its articles of association pursuant to which a specified part of its board of directors will be comprised of individuals complying with certain independence criteria prescribed by the Israeli Companies Law. Such independent directors shall have all the qualifications of an outside director; however, he or she is not subject to the “accounting and financial expertise” or “professional qualification” requirements and may be elected and removed from office by a simple majority vote of the general shareholders meeting. We have not included such a provision in our articles of association.

Our Board of Directors has determined that Ms. Singer and Mr. Kobrinsky qualify both as independent directors under the requirements of the SEC and NASDAQ and as outside directors under the requirements of the Israeli Companies Law. Our Board of Directors has further determined that Messrs. Nuss and Livne qualify as independent directors under the requirements of the SEC and NASDAQ.

Audit Committee

Under the Israeli Companies Law, the board of directors of any public company must establish an audit committee. The audit committee must consist of at least three directors and must include all of the outside directors. The audit committee may not include the chairman of the board of directors; any director employed by the company or providing services to the company on an ongoing basis; or a controlling shareholder or any of the controlling shareholder’s relatives. The responsibilities of the audit committee include identifying irregularities in the management of the company’s business and approving related party transactions as required by law. Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted.

In addition, the NASDAQ Listing Rules require us to establish an audit committee comprised of at least three members, all of whom must be independent directors, each of whom is financially literate and satisfies the respective “independence” requirements of the SEC and NASDAQ and one of whom has accounting or related financial management expertise at senior levels within a company.

Our audit committee consists of three board members who satisfy the respective “independence” requirements of the SEC, NASDAQ and Israeli law for audit committee members. Our audit committee is currently composed of Messrs. Shaul Kobrinsky and Jacob Nuss and Ms. Liza Singer. The audit committee meets at least once each quarter. Our audit committee charter is available on our website at www.magal-s3.com.

Investment Committee

Our board of directors has established an investment committee, which is responsible for the investment of our cash and our hedging transactions. The investment committee is currently composed of Messrs. Jacob Even-Ezra and Shaul Kobrinsky.

Mergers and Acquisitions Committee

Our board of directors has established a mergers and acquisitions committee, which is responsible for the examination and review of merger and acquisition opportunities and making recommendations to the board of directors with respect to such opportunities. The mergers and acquisitions committee is currently composed of Messrs. Jacob Even-Ezra, Ze'ev Livne and Shaul Kobrinsky.

APPROVAL OF CERTAIN TRANSACTIONS WITH MR. NATHAN KIRSH, OUR PRINCIPAL SHAREHOLDER AND A DIRECTOR

(Item 2 on the Proxy Card)

As a result of the difficult economic situation during the past two years, especially in Europe, and the tight credit markets, we will require additional funding to execute our strategic plan. We intend to effectuate a \$15 million rights offering, in which we will offer all of our shareholders the right to subscribe to purchase our ordinary shares, on a pro rata basis, at a price per share that will be determined by our Board of Directors. Our Board of Directors has appointed a special committee that will oversee the rights offering and will make a recommendation to the Board of Directors with respect to the terms of the rights offering. The special committee is composed of the Chairman of our Board of Directors and our two outside directors within the meaning of Israeli law. We believe that such financing will provide us with the necessary funds to allow us to achieve our goals. The rights offering, which will be made in accordance with U.S. securities laws, will require the filing of a registration statement with the SEC and will be subject to SEC review, which may be a lengthy process.

Each shareholder who elects to subscribe to purchase his or her entire pro rata share of the rights offering will be entitled to subscribe for additional shares at the same price per share. In the event that such shareholders chose to exercise such option for a total number of remaining shares in excess of the number available, the remaining shares available for purchase will be allocated to such shareholders based on the number of shares such shareholders have elected to purchase pursuant to the pro rata subscription right. Mr. Nathan Kirsh, our principal shareholder and a director, has undertaken to exercise such oversubscription right in full and to subscribe for all of the shares offered in the rights offering, subject to the shareholder approval of this proposal and provided that prior to Meeting there will be no "Change of Control," as such term is defined below.

In order to finance our operations during the interim period, Mr. Kirsh has agreed to provide us with a six month bridge loan in the aggregate principal amount of \$5.0 million. The principal amount will bear interest at the rate of three month LIBOR+4% per annum, which accrues on a quarterly basis. The principal amount will be paid to us within five business days following the fulfillment of certain conditions, including shareholder approval of this proposal and that prior to the Extraordinary Meeting there will be no "Change of Control," as such term is defined below.

The bridge loan is for a term of six months, which may be extended by us for up to an additional 60 days upon prior written notice. The principal amount and accrued interest will be payable at the end of term unless repaid earlier, as described below. In the event of a "Change of Control," the entire bridge loan, including accrued interest, will become immediately due and payable. For this purpose "Change of Control" means: (x) the purchase by any person or entity (other than Mr. Kirsh) of: (i) all or substantially all of our assets or (ii) more than 50% of our outstanding share capital (including through the issuance of shares and securities convertible into shares); (y) the replacement of the Chairman of our Board of Directors (other than as a result of his death or incapacity or as a result of his voluntary resignation), or (z) the replacement of more than 50% of the members of our Board of Directors (excluding outside directors within the meaning of the Israeli Companies Law) within a 90 day period during the term of the bridge loan.

Two business days prior to the effective date of the rights offering, we intend to effect a private placement of 150,000 of our ordinary shares to Mr. Kirsh at an initial price per share equal to the closing price of our ordinary shares on the date prior to the private placement. Upon the effective date of the rights offering, the private placement price per share will be adjusted to a price per share equal to the higher of the price per share in the rights offering and the closing price of our ordinary shares on the date prior to the effective date of the rights offering provided that in no event will the adjusted private placement price per share be less than the initial price per share. The private placement consideration from Mr. Kirsh will be paid to us by means of a set off against a portion of the

then outstanding bridge loan, including accrued interest. The outstanding balance of the bridge loan, including accrued interest, will be paid by us to Mr. Kirsh within five business days after the successful closing of the rights offering.

This private placement is being made for the purpose of allowing Mr. Kirsh to participate in the rights offering under Israeli law. Mr. Kirsh currently holds approximately 24.2% of our issued and outstanding shares. Under Israeli law, an acquisition of shares in a public company must be made by means of a tender offer if as a result of the acquisition the purchaser would become a 25% or greater shareholder of the company unless there is already another 25% or greater shareholder of the company. This rule does not apply if, among other things, the acquisition was made in a private placement that received shareholder approval as a private placement that is intended to allow the offerree to hold 25% or more of the voting rights in the company if there is no other shareholder holding 25% or more of such voting rights. Accordingly, if our shareholders approve the private placement, Mr. Kirsh's holdings will increase to approximately 25.65% and he will be entitled to participate in the rights offering without the need to conduct a tender offer.

Under NASDAQ Listing Rules shareholder approval may be deemed to be required for the rights offering if the price per share in the rights offering is less than the greater of the book or market value of our ordinary shares.

Our Audit Committee and Board of Director have approved the terms of the rights offering, the bridge loan from Mr. Nathan Kirsh and the private placement in which Mr. Nathan Kirsh will become a 25% or greater shareholder.

It is therefore proposed that at the Extraordinary Meeting our shareholders adopt the following resolution:

“**RESOLVED**, subject to the rejection of Item 1A, that the terms of the private placement, which is intended to allow Mr. Nathan Kirsh to become a 25% or greater shareholder, and the terms of the rights offering, as described in the Proxy Statement for the Extraordinary General Meeting dated July 4, 2010, be, and hereby are, approved.”

This Proxy Statement does not constitute an offer to sell or the solicitation of offers to buy any securities of our Company and will not constitute an offer, solicitation or sale of any security in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction

The Board of Directors recommends a vote FOR the foregoing resolution.
